ESSENTIAL SELECTIONS FROM

ACROSS THE SPIRITS UNIVERSE

RUM

BACARDI AÑEJO CUATRO

MSRP: \$24.99 | ABV: 40%

The Añejo Cuatro offers notes of mild vanilla, toasted oak and clover honey. Its profile is driven by oak contribution and highlights smoothness through aging with a golden apricot hue. It is a perfectly blended rum and is enjoyed immensely with light rocks.

CROSSFIRE RUM

MSRP: \$37.00 | ABV: 40%

Crossfire Rum is rooted in rock and roll. It represents the edgy and timeless spirit of the Rolling Stones who helped create the blend. It's packed with flavors of caramelized bananas followed by a gentle hint of tropical fruit—a blend of Caribbean rums from Jamaica, Barbados, and the Dominican Republic. This rum is a fusion of three distinct rum-making traditions that are perfectly aged for up to five years in charred oak barrels. It gives off a golden hue and imparts a depth of complexity and character that makes it ideal for sipping and mixing in a wide variety of cocktails.

ROLLING FORK AMBURANA ODYSSEY CASK-STRENGTH RUM

MSRP: \$99.99 | ABV: 60.3%

Aged for six months in Amburana oak casks, resulting in a balanced and approachable flavor profile. Signature notes of cinnamon and cocoa with a hint of cola, balanced by sweet vanilla and molasses from the rum itself and the toasted bourbon and rye whiskey casks.

RENEGADE SINGLE FARM CUVÉE: DUNFERMLINE

MSRP: \$69.99 | ABV: 50%

A combination of column and pot-distilled cane rum that was then barrel-aged and blended to highlight the unique flavors of the sugarcane grown on Dunfermline farm in Grenada. Aromas of lemongrass, olive brine, and overripe tropical fruit are at the forefront with a faintly metallic, mineral note. Once sipped, the caramel and vanilla that one would expect from a Caribbean aged rum are far more pronounced.

RENEGADE SINGLE FARM CUVÉE: AURA

MSRP: \$49.99 | ABV: 46%

Abundant in distinct cane flavors, the flavors are as striking. Derived from Grenada's complex terroir medley, born of both pot still for gravitas and batch-column for elegance, Cuvée Aura features intense cane flavors at their most vibrant and authentic.
